Expert Advice

Tax

The self-employed and micro-businesses are not alone when it comes to tax time. Estimated taxes, choosing a business entity, automobile and travel expenses and hiring a new employee are just a few of the topics that the NASE Tax Experts can help with.

Business Strategy

We call it Business 101, but our business strategists will personally answer your questions about how to succeed in business.

Business Law

Answers to your estate planning, retirement, or general business law questions, delivered promptly from our own NASE legal professionals. Submit your questions online for a personal response.

Social Media

Which Platform is Best? Entrepreneurs should be looking at their business strategically, and understanding which platform will give them the best opportunity to have a dialogue with their customers, without overwhelming the owner.

Finance / Accounting

If you are gathering and monitoring financial data, preparing monthly, quarterly and annual statements, or forecasting costs and revenues, you might need NASE's Finance Expert.

Grants & Scholarships

Do you have questions regarding the NASE Growth Grant or the NASE Dependent Scholarship?

Marketing & Advertising

Is my marketing working? How can I measure it? Do I really need it? What can I improve?

Business to Business Leads

Let's face it, driving traffic to your website and social media pages has become essential in today's marketplace. Lead generation is one of the most important strategies for your business, don't neglect it.

Information Technology

NASE technical support provides assistance with your general computer problems. Ask our expert to diagnose your hardware or software issue and offer solutions.

Real Estate

If you're looking for guidance on how to buy a home, sell your home, purchase rental property, mortgage loan options, securing a title company or hiring the right moving company, NASE's Real Estate Expert can help.

Healthcare

Health insurance is one of those things that you don't really think too much about until you need it, and then the decision is critical. Let the NASE offer expert advice on the ever-changing environment of health care reform.

Marketing 101

The most dangerous question a business owner can have is the one they don't know exists. Our job is to help identify and answer those questions promptly.

Sales Tax

Many states are passing new remote seller laws after the Supreme Court's decision in the Wayfair case. Regardless of what happens with proposed federal legislation, NASE experts can help answer your sales tax questions.

Database Management

Do you need support organizing, validating, storing and maintaining data? Ask our Data Base Expert today.
