Benefits at a Glance

The NASE partners with business owners to provide them with the resources they need to start, run and grow their businesses. Just like you, the NASE believes in the importance of fostering entrepreneurship among young people.

Expert Advice

Business Law
Answers to your estate planning, retirement, or general business law questions, delivered promptly from our own NASE legal professionals. Submit your questions online for a personal response.

Business Strategy
We call it Business 101, but our business strategists will personally answer your questions about how to succeed in business.

Business to Business Leads
Ask our experts how to drive traffic to your website and social media pages.

Database Management
Do you need support organizing, validating, storing and maintaining data? Ask our Database Expert today.

Finance / Accounting
If you are gathering and monitoring financial data, preparing monthly, quarterly and annual statements, or forecasting costs and revenues, you might need NASE's Finance Expert.

Grants & Scholarships
Do you have questions regarding the NASE Growth Grant or the NASE Dependent Scholarship?

Healthcare
Health insurance is one of those things that you don't really think too much about until you need it, and then the decision is critical. Let the NASE offer expert advice on the ever-changing environment of health care reform.

Information Technology
NASE technical support provides assistance with your general computer problems. Ask our expert to diagnose your hardware or software issue and offer solutions.

Marketing 101
The most dangerous question a business owner can have is the one they don't know exists. Our job is to help identify and answer those questions promptly.

Real Estate
If you're looking for guidance on how to buy a home, sell your home, purchase rental property, mortgage loan options, securing a title company or hiring the right moving company, NASE's Real Estate Expert can help.

Sales Tax
Many states are passing new remote seller laws after the Supreme Court's decision in the Wayfair case. Regardless of what happens with proposed federal legislation, NASE experts can help answer your sales tax questions.

Social Media
Which Platform is Best? Entrepreneurs should be looking at their business strategically, and understanding which platform will give them the best opportunity to have a dialogue with their customers, without overwhelming the owner.

Tax
The self-employed and micro-businesses are not alone when it comes to tax time. Estimated taxes, choosing a business entity, automobile and travel expenses and hiring a new employee are just a few of the topics that the NASE Tax Experts can help with.
