## Benefits at a Glance

The NASE partners with business owners to provide them with the resources they need to start, run and grow their businesses. Just like you, the NASE believes in the importance of fostering entrepreneurship among young people.

### Expert Advice

#### Business Law

Answers to your estate planning, retirement, or general business law questions, delivered promptly from our own NASE legal professionals. Submit your questions online for a personal response.

#### Business Strategy

We call it Business 101, but our business strategists will personally answer your questions about how to succeed in business.

#### Business to Business Leads

Let's face it, driving traffic to your website and social media pages has become essential in today's marketplace. Lead generation is one of the most important strategies for your business, don't neglect it.

#### Database Management

Do you need support organizing, validating, storing and maintaining data? Ask our Database Expert today.

#### Finance / Accounting

If you are gathering and monitoring financial data, preparing monthly, quarterly and annual statements, or forecasting costs and revenues, you might need NASE's Finance Expert.

#### Grants & Scholarships

Do you have questions regarding the NASE Growth Grant or the NASE Dependent Scholarship?

#### Healthcare

Health insurance is one of those things that you don't really think too much about until you need it, and then the decision is critical. Let the NASE offer expert advice on the ever-changing environment of health care reform.

#### Information Technology

NASE technical support provides assistance with your general computer problems. Ask our expert to diagnose your hardware or software issue and offer solutions.

#### Marketing 101

The most dangerous question a business owner can have is the one they don't know exists. Our job is to help identify and answer those questions promptly.

#### Real Estate

If you're looking for guidance on how to buy a home, sell your home, purchase rental property, mortgage loan options, securing a title company or hiring the right moving company, NASE's Real Estate Expert can help.

#### Sales Growth

If you need advice on how to improve skills like prospecting, client communication, building rapport, negotiating, or strategies supporting sales goals, submit your question to the NASE Sales Growth Expert.

#### Sales Tax

Many states are passing new remote seller laws after the Supreme Court's decision in the Wayfair case. Regardless of what happens with proposed federal legislation, NASE experts can help answer your sales tax questions.

#### Social Media

Which Platform is Best? Entrepreneurs should be looking at their business strategically, and understanding which platform will give them the best opportunity to have a dialogue with their customers, without overwhelming the owner.

#### Tax

The self-employed and micro-businesses are not alone when it comes to tax time. Estimated taxes, choosing a business entity, automobile and travel expenses and hiring a new employee are just a few of the topics that the NASE Tax Experts can help with.
